*SUNSET OVER A FIELD*

BY MACEY KLEIN, BISMARCK, ND

# Eyes to the Sky

...and a little  
bit more

Capturing beautiful skies and  
the nature below.

## ***END OF THE WORLD***

BY MAXWELL SELVER, TENAFLY, NJ

## ***WILDFIRE AND THE MILKY WAY***

BY ASHLEY XUE, MCKINNEY, TX

# FOR THE CAMERA!

It's time for the animals to shine! Scaly and furry, domesticated and wild. Sometimes the creatures you can't communicate with are the most photogenic.

# Life in Motion

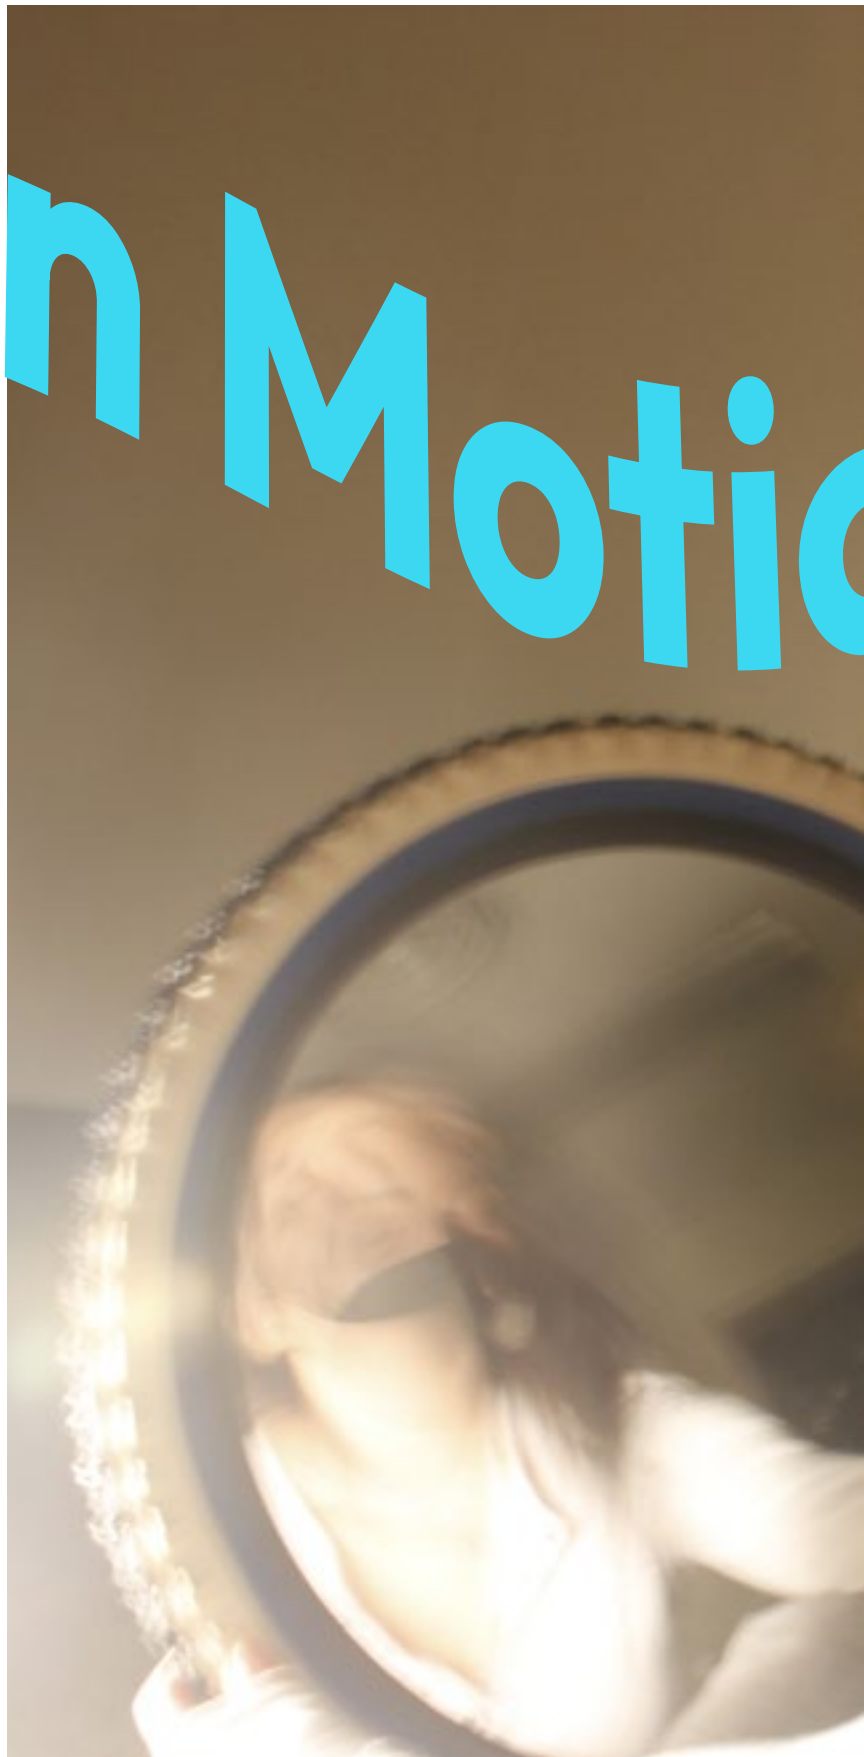

Capturing the daily hustle and bustle of life and the constant passage of time.

## CAMILLA'S REFLECTIONS

BY ELENA ZHANG,  
WALLINGFORD, CT

"This is a raw image taken on 2" shutter speed. It captures the internal struggles of teens through the current stream of social media and our insecurities on appearance."

— Elena Zhang, Wallingford, CT

# UP CLOSE & PERSONAL

Where tiny or faraway objects are given the opportunity to shine!

**RASPBERRIES**

BY EMMA BELL, MANSFIELD, TX

## **SUPERMOON**

— Jiayu Wang, Shanghai, China

"As the moon approached the perigee on July 14th, the largest moon in 2022 rose from the night sky. There it shined, alone but bright."

## **DOG DAYS**

— Luke Byrnes, New Rochelle, NY

"This is an original photograph that I staged and edited, the objects in the picture are props that are actually supposed to be part of a desk light!"

## **SUNFLOWER IN THE DARK** BY ZHITONG ZHOU, SHENZHEN, CHINA

"Flower and light."

## OYSTER

BY ERIC ZHANG, SHENZHEN, CHINA
